

Covid Policy - Fall 2022

...

Masks are still required in our building.

...

If you do not have a mask, please help yourself to one from the table inside the entrance.

(We have sizes for both adults and children.)

...

Please **do not enter** if you have any signs of illness.

(With 24 hours' notice, we are happy to make arrangements for a remote lesson in place of an in-person lesson for anyone who is ill.)

...

Students who have symptoms of COVID or have been exposed to someone with COVID should get a PCR test as soon as possible.

If a student tests positive, they should quarantine for 7 days before returning to NCMC.

If a student tests negative, they are welcome to return to NCMC after symptoms have subsided.

...

Thank you for your cooperation.
